

# Your are Invited to Wonderland to solve a murder

Upon an excavation, within a forest round,  
the fat and lifeless body of Tweedledee was found.  
All twisted up and twisted down, and partly  
covered with leaves, his tee shirt filled with  
pepper stains, and jelly on his sleeves.

An old tea pot in pieces still, found perched  
upon his head, it is of almost certainty that  
Tweedledee is dead.

The motive and or reasoning is anybody's  
guess, a crime of such proportion deserves  
a quick confess.

Move quickly gentle player, a suspect you  
may be, a sense of backward reasoning,  
may help to set you free.

So with your help, your tongue, your eyes,  
together we will solve, the case of Tweedledee's  
demise, and give it full resolve!
